

May 1st, 2010

Dear Community Supporters,

Thank you for considering participation in the Heritage Community Association's First Annual "Trek to Tomorrow" fundraiser and awareness event taking place on May 1st, 2010.

The Trek will bring teams into the Heritage neighbourhood in search of sites and locations significant to the community, working against the clock to collect points and win prizes. The event will be followed immediately by a banquet dinner at the Regina Inn, where prizes will be presented and Trek participants will be treated to a performance by FadaDance and an appearance by guest speaker Larry Schneider, former mayor of the City of Regina.

While this event is a fundraiser for Heritage Community services, it is also intended to heighten the knowledge and awareness of city residents about the community, its rich heritage, and the people and businesses that comprise it.

The Trek to Tomorrow will be a fun, family-friendly event, and costumes are encouraged! Come out as a bawdy gang of pirates in search of loot, or a company of circus performers—or dress in yellow in the theme of our symbol, the Yellow Rose.

Your participation in the Trek to Tomorrow will help bring support and attention to the Heritage Community. Come out and make a difference!

For more information about the Trek to Tomorrow, please contact the Heritage Community Association office at 757-9952.

Sincerely,

Kierin Gorlitz
Special Events Coordinator
Heritage Community Association
