

Harvey Wirth

8 Aug 2010

It is with great sadness that the family of Harvey Wirth announces his sudden passing on Sunday, August 8, 2010.

Harvey was born on February 20, 1959 at St. Peter's Hospital, Melville. He received his schooling to grade eight in Neudorf, then continued grades nine through twelve at Balfour Tech in Regina. After he graduated, Harvey returned to Melville and was employed at the King George Hotel as a D.J. and night clerk. He then gained employment at Rail City Industries in the Sarcan recycling department; he was one of the first to be employed by Sarcan and he happily served customers for 21 years.

Harvey had many talents, but he was best known for his D.J. and videography skills; he had a very large music library. He was also proud to be involved in the Parkland Amateur Radio Club and the Wolseley Radio Club. Harvey was also a Riders fan, like the rest of us.

It was while working at Sarcan that Harvey met the love of his life, Sheila Wagner. After two and a half years he asked her to marry him and make him the happiest man alive. They were married June 27, 1998.

Harvey was predeceased by his father-in-law, Morley Wagner in May of 1998. He is survived by his loving wife, Sheila; his parents, Ernie and Lily Wirth; mother-in-law Sally Wagner; his brother, David (Delphine) Wirth; his sister, Leona Maurer (Jim Kubik); nieces and nephew Jobina Maurer (Kris Isnor), Bartley Maurer (Amanda Arnett) and Mandy Isnor (PJ); great-nieces and nephews Jerrod Marsh, Declan Isnor, Olivia Isnor, Jackie Isnor and Macian Isnor; as well as numerous aunts, uncles, cousins and many good friends. We were all blessed to know and love Harvey for 51 years.
