Total	132	126	97	81	122	172	118	93	85

Note: Bold numbers denotes increase in 2004

3) **2003 Tri-Community Neighbourhood Watch Program:**

Neighbourhood Watch Web Page:

www.accesscomm.ca/nonprofits/rmrca/nw

This is the 6th year of operation for the web site. We have established this site so our members may obtain information on neighbourhood watch in our community. The site contains a area map, all newsletters, all AGM reports, contact list, crime stats for all 3 areas for 1998, 1999, 2000, 2001, 2002, 2003 & 2004 and a bulletin area for notices. Please visit our site and let us know what you think. For more information please contact **Steve at 949-1370.**

Neighbourhood Watch Newsletter:

In a effort to get information out to the members we have published 2 newsletters with the RMRCA. These newsletters list up coming events, meetings, problems and concerns, safety tips and articles from the police and the city. For more information please contact **Steve at 949-1370.**

RMRCA Registration ,Spring Festival & N.H.W. Wind up

The Watch has entered a display booth at all RMRCA registration nights and the spring festival. Free Neighbourhood Watch information was given out and bicycle coding was offered. This seems to be a positive way to get the Watch message out.

Neighbourhood Watch General Meeting:

4 general & executive meetings have been held so members of the community could exchange ideas with the executive. The dates and locations were posted in the newsletters and website. The attendance has been low.

N.H.Watch Back Alley sign Project - PHASE 1 , 2 & 3:

During 2003 -05 we have placed over 100 back alley signs in areas that have had problems, schools, churches & city buildings. These signs will act as a warning to all that Neighbourhood Watch is at work in this community. If you wish one of these signs on the back of your property you can purchase 1 for \$5.00 each. Profits from this fundraising project go towards Neighbourhood Watch projects in the city of Regina. Contact **Dennis at 545-8059**

4) President Message:

Another year is passed and when all is said, we have done pretty well compared with other areas of the city. I would like to thank everyone for their help over the year. We could not have done it without you. We have seen a steady *loss of block captains* this year and a marked *reduction of attendance at our general meetings*. This makes the executives' job very hard since your input is what drives *The Watches programs and projects*. We will be running the following programs this year: **Newsletter, Web site, Back alley sign project, Property engraving project and Child ID clinic.**

I am looking forward to working with you in the coming year and remember that only your involvement with Neighbourhood Watch can make your community a safer place to live.

Dennis Zawyrucka - President

Yours respectfully

The Tri-Community Neighbourhood Watch Executive

Note: Financial report has been compiled and submitted by
Treasurer of RMRCA - Helen Adams
